ISRAEL & EGYPT 2027

Biblical Study Tour

Sponsored by El Camino Grace Church, Global Outreach International, and Piano Creations Ministries

Israel: April 26 – May 9, 2027

Egypt Extension: May 9 – May 16, 2027

Critical Dates to Remember

DATE	REQUIREMENT / ACTION
October 1, 2026	\$500 refundable deposit accepted (first-come, first-served)
January 18, 2027	50% of total tour cost due; deposit becomes non-refundable
February 28, 2027	100% of total tour cost due

Reservation & Capacity

Reservations are limited to a maximum of 50 participants in order to maintain a single-coach experience throughout the itinerary. Space is allocated on a strict first-come, first-served basis upon receipt of the \$500 refundable deposit and completed registration information. Early registration is strongly encouraged.

Payment Schedule & Non-Refundable Policy

A \$500 deposit is required to secure a reservation. This deposit is refundable until January 18, 2027, provided written cancellation notice is received prior to that date.

On January 18, 2027, 50% of the total tour cost is due and the deposit (together with all monies paid) becomes non-refundable. On February 28, 2027, the remaining balance is due in full.

Please note that once funds are transmitted by El Camino Grace Church / Global Outreach International / Piano Creations Ministry to airlines, hotels, ground operators, and other vendors, those funds are no longer held by the organizations and cannot be returned. Cancellation after the non-refundable date will result in forfeiture of monies already paid, except to the extent recovery may be available through travel insurance.

Travel Insurance

Travel insurance is highly recommended and should be purchased within one week of making your deposit. Insurance may provide coverage for trip cancellation, interruption, medical emergencies, and other unforeseen events. Because payments are promptly remitted to vendors and become non-refundable according to the schedule above, participants who cancel for personal, medical, or other reasons after the non-refundable date generally will not receive a refund from the church. Travel insurance is the appropriate mechanism for protecting against such contingencies.

Itinerary, Accommodations & Services – Changes

The organizers will make every reasonable effort to follow the published itinerary. However, El Camino Grace Church, Global Outreach International, and Piano Creations Ministry may modify, substitute, or cancel itinerary items, accommodations, transportation, guides, or other arrangements when circumstances beyond their control require it. These circumstances may include acts of God, natural disasters, severe weather, war, terrorism, civil unrest, government actions or restrictions, public health emergencies, airline or ground transportation schedule changes, hotel or site closures, and other operational needs.

In the event of any such change, the organizers will use reasonable efforts to provide comparable substitutions and to minimize disruption to the overall program. Any refunds or credits resulting from changes will be issued solely to the extent monies are recoverable from the relevant vendors. Participants are encouraged to review their travel-insurance policy for coverage of itinerary changes, delays, or cancellations.

Gratuities

Gratuities for local guides, drivers, and baggage porters are not included in the tour price and are customary in the destinations visited. The following amounts are suggested as a guideline per person:

- **Jordan & Israel portion:** \$200 per person (covers guides, drivers, and portage for the full land portion)
- **Egypt extension:** \$100 per person (covers guides, drivers, and portage for the Egypt portion)
- **Alex Zsolt Ministries:** A \$100 ministry gift per person is suggested as a voluntary expression of appreciation for the ministry's partnership and leadership on the tour.

These amounts are recommendations only and may be adjusted at the traveler's discretion. Gratuities are collected by the tour leaders before the tour begins or at the beginning of the tour so that they can tip the porters, guides, and drivers along the way on behalf of the group.

Payment Instructions
